

GSMOL, Golden State Manufactured-Home Owners League, is a statewide non-profit organization supporting mobile/manufactured-home (MH) owners in the Capitol, in Communities, and in Chapters.

Our three goals are Legislation, Education, and Organization.

- We work with state and local legislators to create laws that protect MH owners and to block laws that would harm us.
- We educate MH owners about their rights, protections and responsibilities.
- We organize MH owners to work together in their parks, in their communities, and across the State.

Our website is [www.gsmol.org](http://www.gsmol.org)

Rancho Santa Barbara has had its own GSMOL Chapter #49 since February 1965, which makes us only two years younger than the park and only three years younger than GSMOL itself.
